

***EMERGENCY
PROCEDURES
QUICK REFERENCE GUIDE***

September 2016

www.irsc.edu

The College's ability to successfully prevent accidents and respond to emergencies requires a team effort by administration, faculty, staff and students.

Procedures suggested in this manual serve as a "Quick Reference Guide" for general emergency situations. No plan can address every specific situation; however, adherence to these procedures enhances and maximizes the safety of students, employees and visitors of Indian River State College (IRSC).

In the event of an emergency that requires orderly evacuation of IRSC buildings, ***the safety of the occupants is our primary concern.*** Preservation of the building and contents is secondary.

Copies are available in the Student Affairs Office or can be accessed online.

1. **WHEN TO EVACUATE**

- ✓ In the event of a fire alarm, complete evacuation of the building will be IMMEDIATE AND MANDATORY.
